HOW TO ARRIVE?

The Albergue Juvenil Las Dehesas is located in Cercedilla, a mountain village outside Madrid, surrounded by nature and within the Sierra de Guadarrama National Park.

It is not in the city center, so getting there requires a short journey by public transport. From Madrid Airport or the city, you can reach the hostel by combining commuter trains and local buses, making the trip both easy and sustainable.

More detailed travel instructions will be provided to the selected participants.
